# CUB SCOUTS

# FUN FOR THE WHOLE FAMILY!

## CUB SCOUTS IS WHERE YOU BELONG

In these **unique times**, children need ways to **safely interact** with other children. In Cub Scouts, your family will work directly with your small, grade-specific group, to decide what activities **you are most comfortable with**, whether it is taking a hike at a local park with **new friends** or having a virtual visit to the local fire station.

Scouting offers a place for your child to build **friendships**, to grow, to find a **sense of belonging**. Your child will learn values of citizenship, **character** and **leadership** in a **safe environment** fun for the whole family!

## HOW CUB SCOUTS WORKS

Cub Scouts is for boys and girls grades K-5th. Scouts and their families can join their Pack and Den activities to learn and experience new things, earn badges and prepare for their next adventure!

Each Pack is led by trained volunteer leaders who are from your community. Scouting is for the whole family and we always encourage parents to participate and enjoy the fun of watching their children grow and learn!

## When you join Cub Scouts you get to do cool things!

### FAMILY CAMPING

Getting your child outdoors to learn and grow is part of the focus of Scouting. We know children want to learn new things, be creative and challenge themselves - and that is our goal. They will learn to build new things, learn life saving skills, discover what excites them and have fun doing it with family and new friends, from a safe distance.

### PINEWOOD DERBY

Building your very own Pinewood Derby car is one of the activities your Cub Scout will remember for a lifetime. Cub Scouts design, build and race their own Pinewood Derby cars with their friends!

### COMMUNITY SCOUTING ACTIVITIES

In Scouting it is important to teach children citizenship and service to others. We do this through activities like Scouting For Food, Service to Veterans, Clean Up projects and much more! We know your child will feel more connected to others through Scouting.

## HOW TO JOIN

Check out the front of this flyer for information on how to join your local Pack. If you need additional assistance contact the Atlanta Area Council at 770-989-8820 or visit [AtlantaBSA.org/CubScouts](http://AtlantaBSA.org/CubScouts).

In addition to the sign-up fee on the front of this flyer, additional costs for handbooks, awards, event costs, etc. vary, depending on your Pack. Talk with your Pack leadership if any aspect of Scouting is beyond your financial means.
