AUDITION MONOLOGUES THE WIZ

Below are the monologues for **The WIZ**. There is not a monologue for every major role, and that's okay.

We want to see you have fun with a character so choose the monologue that really shows us your character work have fun with it!

These monologues must be MEMORIZED.

TIP #1

If you are not comfortable acting, go ahead and choose a shorter monologue. Just make sure you make some choices on the character in voice, physicality or phrasing.

TIP #2

Don't be afraid to show us really big character choices. HAVE FUN!

1. FIRST MOUSE OF THE MICE SQUAD

(arresting the Lion) Okay, break it up! We're with the Mice Squad. I said, we're with the Mice Squad! Get up from there! Okay, buddy, now where'd you get those poppies from.....huh??? Yeah, that's what they all say! You're under arrest! Get in there! And don't say a word!

2. Dorothy talking to The Wiz

What do you mean, you don't want to leave "all this"? You mean your big old empty room, where nobody comes to see you, and you're afraid to go out, 'less people find out you're foolin' them? You know.... I bet if you got started all over again someplace, you could do all this..... and even have some friends. You're not so bad..... once a person gets to know you. And when we get back to Kansas, I'll give you my silver slippers.

3. ADDAPEARLE (talking to Dorothy)

Yes! That is my sister Evamene with a house dropped on her! I'd know those tacky panty hose of hers anywhere! That means there's only three witches left in Oz.

Me, The Good Witch of the North.

(She laughs) My sister, Glinda, the Good Witch of the South. You oughta see her act, honey. And then there's Evillene, The Wicked Witch of the West. You better watch out for her. She's a real downer. Now let's get down to business, honey. What's your name, child?
